PRAIRIE BOWMEN INC.

Founded in 1954, Prairie Bowmen Inc. is home to archery enthusiasts of all ages and skills. Archery is a sport that anyone can enjoy so we provide several options for youth, adults and families.

Club members enjoy the benefits of our private 24/7 access to our indoor and outdoor ranges.

Our outdoor range is located in southwest Lincoln adjacent to Wilderness Park. This range has a wonderful target range and extensive 3-D range

The American range is a great place to practice with targets at 10 to 60 yards. The trail course is set up with target butts at different distances to offer a variety to challenge even the most confident archer. The course has a series of complex shots from 3 different elevated platforms surrounded by conifer trees, shots from the top of rolling hills, and targets in dense woodlands. The outdoor range also has a clubhouse, restrooms, playground, picnic tables, covered shelter and plenty of parking

Our indoor Range is located in downtown Lincoln and is a great place to keep your skills sharp during cold or stormy weather. This range features 17 shooting lanes at 20 yards, portable targets for shorter ranges, paper tuner, scale, bow press and tools. The Indoor Range also has lockers for rent and targets for purchase.

The Indoor and Outdoor Ranges are available to all club members. They can be used for daily shooting, birthdays, family gatherings, boy scouts, etc. All we ask is that you get board permission and pay a \$50 good will donation to the club. If you would like to use the clubhouse we do ask for a \$100 deposit.

Prairie Bowmen Inc. offers many events throughout the year for members. We have winter and summer Target and 3-D Leagues and Tournaments, Junior Olympic Archery Development, Adult Archery Achievement, annual Jamboree and annual Banquet.

Prairie Bowmen Inc. is affiliated with several national archery organizations including NFAA, FITA, AND USA Archery. Throughout the year we host several events that bring archers from around the region to compete.
